MESSAGE

Another school year has come to an end; another milestone has been reached. It is with great pride and pleasure that I congratulate all completers and graduates of SY 2018-2019!

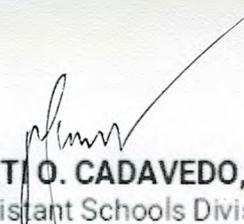

Moving up and graduation ceremonies are a celebration not only of endings but also of beginnings. As you complete your studies, you close a chapter in your life and turn a new page. You step ahead and face new challenges. Everything that you learned will be put to test.

It is natural to have fears and anxieties as you leave the gates of your alma mater. But I encourage you to take heart. Your teachers and parents have educated you well. You have everything you need for the journey ahead.

Think of what comes next as a new adventure. Whether you take further studies or find a job, I know you will do well in your chosen path. You have the mind and skill set of a K to 12 graduate. In whatever situation you find yourself in, may you use critical thinking, creativity, and collaboration to take action. May the values of Maka-Diyos, Makatao, Makabansa and Makakalikasan be your compass for the next steps you will take.

As we celebrate your achievement with this year's theme "Unity in Diversity: Quality Education for All", I hope you will embrace the future with hope in becoming the best, not only for yourself, but for others as well. May you be driven with passion to pursue your dreams and serve your country.

A new beginning awaits you. Seize it with an open heart. Happy graduation and congratulations to all!
